29th Annual Milford Pumpkin Festival

In January 2018, after many years of distinguished leadership by the Milford Improvement Team, the Town of Milford found itself without a lead organizer for the annual Milford Pumpkin Festival. As is a hallmark of this community, a group of citizens stepped up to take on the challenge and to continue this amazing tradition.

The Granite Town Festivities Committee (GTFC) is an all volunteer organization whose mission is to make our hometown a better place to live by supporting events such as the annual Pumpkin Festival. GTFC has agreed to take on responsibility for the overall planning and execution of this year's festival. GTFC volunteers are hard at work on all the details and have enlisted additional help from Milford's civic and service organizations.

To make this a successful event and set the stage for the 30th annual Milford Pumpkin Festival, **SPONSORS** are needed! Many opportunities are available to showcase your business as a festival sponsor.

GTFC is committed to bringing you another amazing Milford Pumpkin Festival and asks for your understanding and patience as we work through this year of change. Feel free to contact GTFC's President Carol Gates or Vice-President Wade Campbell via email at gtfcmilford@gmail.com.
